meets Solutions-Based VIBEZ

Start **Jun 10, 2026** | End **Sep 2, 2026**

5pm Every 2nd & 3rd Wednesday

Agenda:

-Identify OCOS CHIL Partners

-Identify 4 Community Concerns based on SDoH, choose 2 to begin with.

(Social Determinants of Health (SDoh))

-Identify all areas within those concerns that can be addressed by the community.

-Identify what areas must be addressed by local businesses, agencies, county (offices committees/ boards) or state offices.

*Create a micro plan of action for each area.

*Implement measurements for gathering data and digital or social outreach to learn how the micro plans are working or need adjustments.
